# Youth participation to research and psychosocial intervention in contemporary society

April  
21<sup>st</sup> - 22<sup>nd</sup>  
2015

## Themes:

1. Interventions and examples of practice addressing various problems facing youth.
2. Experiences related to volunteering: for, with or by young people.
3. Examples of youth-led initiatives addressing major social problems.
4. Youth against discrimination - project presentations, discussions.
5. Examples and theoretical reflections of work with disadvantaged youth groups.
6. Chances for youth with disabilities!

Send us a 250 words presentation until the 1st of April 2015 at [besocialcluj@yahoo.com](mailto:besocialcluj@yahoo.com)
