

**Lucian Blaga University of Sibiu, Romania**  
**The Institute of doctoral studies**

organizes  
in the period 22 – 23 November 2013

***The 1st International conference for PhD students***

"Lucian Blaga" University of Sibiu is going to organize the first conference dedicated to PhD students from the following fields of study: Engineering Sciences, Humanities, Legal Sciences, Economics, Theology and Health Sciences. The conference will provide the opportunity for PhD students from these fields of study from various universities to share ideas, concerns and best practices research. Keynote presentations and parallel sessions are planned during the conference; social activities are also part of the conference, all these with the aim of developing or improving the network of doctoral schools.

**PUBLICATION OF PAPERS**

Papers selected by the reviewers and presented at the conference, will be published in an electronic ISBN conferences proceedings. Those papers evaluated as “excellent” and “very good” by the reviewers will be published in international/national recognized journals from LBUS (more information on the website).

**LANGUAGE(S) OF THE CONFERENCE:** The official language of the conference is English; the Romanian language could be used for those papers from the Humanities field addressing specific Romanian topics.

**DEADLINES AND CONFERENCE PROGRAMME**

- 18.10.2013 Deadline for paper submission (please use the instructions for authors) from the website
- 06.11.2013 Confirmation of paper acceptance
