Type of activity	Accountabilities	Effective results
Period		
As a organizer of researches / diagnoses made till present (1993-2013)	- For studies realized: from individual diagnosis to sociological researches made on a representatives samples, I have coordinated large teams of specialists (consist of field operators, data analysts, PR specialists), up to 90 persons from three countries. I have distributed the specific roles of them (from preliminary training, processing data, to realizing the synthesis and the researches rapports or public presentation of results) and I have also supervised the impact of academic and public echoes of them.	- The researches coordinated by me have been appreciated, as much as beneficiary, public opinion and academic community. Some of them have been considered national or even euro-regional premiers, like project: 'Regional and Euro-regional DKMT Policies Observatory' (Hungary, Serbia, Romania), or "Needs-assessment of Business Medium from the V Developing Region". Likewise, with a significant innovative thematically and methodological dose have been considered the following project that I have conducted: "Barometer of Entrepreneurial Spirit" and "Cartography of Cultural Dimension in Romanian Organizations. Case study in the V

		<p>Developing Region”, or a large global scale cross-cultural project: <i>Motivated identity construction in cultural context</i>, general coordinators: Vivian Vignoles & Peter Smith (Sussex University, UK), ESRC Grant Number: RES-062-23-1300.</p>
<p>As a Teacher (1993-2013)</p>	<ul style="list-style-type: none"> - I have actively participated at the curricular reform process; - I have organized the learning process in my area of competence. 	<ul style="list-style-type: none"> - <i>At the secondary school level:</i> I have been selected in a few projects of reforming educational medium; as far back as I was a substitute teacher in a lower-secondary school from Timișoara. Examples: I have participated in realization and application at the national level of the first alternative <i>Civic Culture</i> text book; I have participated at a series of international reunions as a Romania’s representing (seminar of Warsaw, Summer School from Geneva, 1998). - <i>At the university level:</i> I have published a series of specialty volumes that had eulogistic book review, realized by prestigious Romanian scholars. The book reviews have been published inside of the most important Romanian review in the area of Psychology and Sociology (<i>Psihologia Sociala, Sociologie Romaneasca</i>). - I have introduced at least two new disciplines, for the first time in Romanian curricula at the university level, that have been later adopted by another departments of Psychology in our country (<i>Ethopsychology</i>, in 1999, and <i>Cross-Cultural Psychology</i>, in 2001). At the both issues I have published thematically volumes that have become the disciplinary reference. I have also reorganized the syllabus of other disciplines, providing a

		<p>relevant expertise in the area of: <i>Social Psychology, Cross-Cultural Psychology, Cross-Cultural Approach of Organizations, Ethnopsychology, Political Psychology.</i></p> <p>I have been constantly assessed at the annual evaluation as one of the most professional, genuine and beloved teacher from our faculty.</p>
<p>As a Chancellor (2004-2005), Vice-Dean (2008-2012) and as a Dean (2012-present) of Faculty of Sociology and Psychology, West University of Timișoara</p>	<ul style="list-style-type: none"> - Coordinating the research activities inside of faculty; - Supervision of documentary resources of faculty; - Coordinating the exchanges of students and professors between faculty and its partners from Romania and abroad; - Coordinating partnerships with another faculties with similar profile from abroad; - Supervision of competitions for professional ascension and guiding the personal policy inside of faculty; - Involving in operative management of faculty, as a member of Council of Faculty Bureau) - Guiding the academic processes from faculty. - Global management of faculty. 	<ul style="list-style-type: none"> - I have won the first major CNCSIS grant of research inside of our faculty (as a leader of grant); - I have obtained the support from the Director of Central Library of West University for realizing the subscriptions at the most influent reviews of our domain. For that reason, the Library of Faculty of Sociology and Psychology has the largest disciplinary data base on electronically and physically support from all over the libraries of National consortium (Bucuresti, Iasi, Cluj, Timișoara) for periodical journals in the area of Social Sciences; - I have significantly extended cooperation of other European universities inside of ERASMUS exchange program (30 contracts in present, comparative with 16 contracts at the beginning of my mandate); - I have maintained contacts with another similar faculties from Europe and I have initiated the legal demarches for opening abroad the first braches of West University of Timișoara for all its history, exactly in the disciplinary area of our faculty (Social Sciences): at Wien (Austria) and Haifa (Israel);

		<ul style="list-style-type: none">- I have organized the competition for professional ascension inside of faculty only based on the academic performance criteria;- I have actively contributed at the diminution of tensions inside of faculty, through an opening and democratic management, although our faculty has become one of the biggest inside of our University (the second one after the Faculty of Economical Sciences, consists of more than 100 teachers and administrative employees, and more than 2000 undergraduate and postgraduate students);- I have identified a lot of organizational solution to specific problems that allowed an efficient management of faculty (examples: I have realized a new <i>Statute</i> of faculty, more operational and more flexible; I have organized mixed students-teacher symposiums, that allowed a better reciprocal recognition and involving).- I have coordinated the academic processes in order to obtain the better recognition from ARACIS (all the programs have been accredited).
