Punctele tari ale tezei de abilitare (Strong points of the habilitation thesis):

1. We appreciate the candidate's significant contributions on paradigmatic improvement on instruments used in studies regarding the implicit cognition and, especially to capitalize the diagnostic value of the Semantic Misattribution Procedure and the practical value of the Evaluative Conditioning as an intervention tool.
2. We appreciate that the candidate is first author on most of the papers he published.
3. The improvement of his academic and research expertise in the context of projects conducted in the Social Cognition and Personality assessment lab.
4. The intentions and steps already followed regarding the development of an international research network.

Punctele slabe ale tezei de abilitare (Weak points of the habilitation thesis):

1. no major weak points
- 2.
- 3.
