Petru Maior University of Targu Mures

Institutional Management in Higher Education - managing teams and budgets

Main duties:

Operational and qualitative management of three undergraduate programs: Political Science, Security Studies, History, **and two masters:** Elite Culture and European Construction, World History, Systems and International Relations. The activities carried out involve the analysis of the convergence with the legal norms and ARACIS (Romanian Agency for Quality Assurance in Higher Education) standards for the three bachelor's and two master's programs; the implementation of managerial measures for standard compliance; *elaboration of curricula and the identification of general, special and transversal skills and competencies* and their readjustment to labor market requirements; *organising regular consultations with student, alumnae and employer representatives* in order to identify the skills and competencies expected by the labor market; implementation of curricula.

Establishment of the Bachelor study program - *Security studies and the development of the collaboration agreement with CFOS (Command of the Special Operations Forces) integral part of the Romanian Armed Forces.*

Human resources management - for department members and associated professors depending on the needs of study programs. Activities included, but were not limited to: teacher selection; organising job selection processes and ensuring the compliance with legal and internal procedures; annual evaluation of professors in terms of teaching and fulfilment of other administrative tasks; ensuring continuous training of professors; the annual drafting of the staff academic and research norms; conducting interviews for the selection of associated professors with time limited contract. For eg in 2019 I managed more than 25 employees.

Financial management of the department and of each study program.

Research management - developing the *research strategy of the department and its implementation.* Annual evaluation of the research report of each member of the department.

MANAGEMENT AND LEADERSHIP SKILLS

Academic management - more than 6 years experience at different levels

I was elected head of Department of History and International Relations by my fellow colleagues (4,4 years). During my mandate I coordinated the department from an operational, quality, financial and human resources management. I coordinated for eg, in 2019 more than 25 academic staff/year, full time of part time employees. I coordinated the research activity of the department and the development of new bachelor programs. One particular fulfilment is the bachelor program Security studies, which raised the number of students of the department and thus the incomes. Also, it is important to mention the Agreement with CFOS in the development of mutual educational and research projects. From this agreement the development of the bachelor program was continued and several scientific events and summer schools were developed.

I was elected in the Senate of the University (1,9 years - ongoing) by my fellow faculty colleagues. I represent them in the adoption of rules and procedures, at university level.

I was appointed Vice Director of the University International Office (1,6 years - ongoing) and I am currently coordinating all MoU's of the university and other international related activities.

County Council Representative

In 2020 I was elected by the citizens of the Mures County – County Council Representative. In this function, I participate in the development and adoption of the county development strategies and projects. I am part of the Culture, Health and Education Specialized Commission of the Mures County Council.

Editorial management

Junior editor of the **Scientific Journal Studia Universitatis Petru Major. History Series (2009-2011)**: editorial activity, coordination of web page creation, correspondence with authors, indexing in international databases (I indexed in EBSCO, CEEOL, DOAJ, Copernicus Index), CNCSIS / CNCS national accredited files 2011.

Managing editor of the Scientific Journal L'Europe Unie, (2019-ongoing) editorial activity, indexing in databases, web page drafting, implementation and maintenance.

Member of the editorial staff of the Scientific Journal Studia Universitatis Petru Maior. Economic Series (currently Studia Universitatis Marisiensis. Series Oeconomica) (2018-ongoing). Database indexation.
