

## **International Conference *Migration Dynamics and New Trends in European (In)Security*, Twelfth Edition, Cluj-Napoca, on site and via Zoom, October 23<sup>rd</sup> - 24<sup>th</sup>, 2025**

The Twelfth Edition of the International Conference *Migration Dynamics and New Trends in European (In)Security*, will cover two separate, but interconnected topics: on one hand, the **migration issues**, involving topics related to societal security, identity(ies), minority issues, migration and refugees and on the other hand **security studies**.

**Panel 1. Intelligence, Organizations and European Governance for sustainable migration policies;** This panel is designed to address the main issues and challenges related to international security and it integrates specific approaches of governance and intelligence.

**Panel 2. Migration, Human Rights and (In)Security Nexus: Instruments and Actions;** The securitization/ (de)securitization of migration is nothing new, but in the new international context, these issues became a priority.

**Panel 3. Minorities and Refugees – Economic, Societal and Social Challenges;** This panel focuses on the geopolitics of minorities, the challenges posed by a large number of refugees in Europe and the failure of multiculturalism in different EU member states.
